

CGSA is excited to announce the formation of our newest Coppell Thunder Select Softball Team. **Girls born in 2003 or 2004 are eligible to try-out for the 8U Coppell Thunder Select Softball team.** We will be holding open tryouts for all who are interested in playing in the Thunder Select team, under the CGSA Banner.

This select team will participate in multiple tournaments in the DFW area, the 8U World Series held here in Coppell for the second straight year. The team may participate in a league, depending on participation of other 8U teams. Team will likely practice 2-3 times per week. Players will be provided experienced select coaches and will be given top level instruction focusing on the development of softball skills, rules, and basics of the game.

We are accepting applications for coaches. If you feel you can make the appropriate commitment to the players and the program to ensure that the players get the most out of the experience, you are encouraged to apply. ALL applications will be given consideration. Applicants do NOT have to have prior CGSA coaching experience. Coaches must be able to pass a background and reference check. All applications must be received by 2/5/12. CGSA Board will select the 8U Thunder coach.

Please apply by e-mail to Randy Krutsch CGSA Director of Select Teams at gocubs0528@gmail.com stating why you would like to coach, your experience, and your plans as a coach in Select Softball and any other information you feel important.

The time commitment for the coaches will be at least three days per week for practices, games and some full weekends for tournaments. All coaches will spend time with the older Thunder teams to work with the coaching staff and gain more information regarding the Select program and Select Softball.

We have every intention of making this experience the most enjoyable softball experience your daughter will have, while building the competitive qualities that make the participants excited to play and compete at a higher level. If you are interested in trying out for this team please e-mail Randy Krutsch at gocubs0528@gmail.com.

If you have any questions from a player or coach perspective, please feel free to contact Randy Krutsch at gocubs0528@gmail.com. Details regarding tryout date and time will be sent at a later date.

Thank you,

CGSA
